

DO I HAVE TIME TO START A HOME BUSINESS?

ONLINE BUSINESS

How much time do you spend doing little things, like scrolling through social media, that you could spend on building a business?

- Figure out when you are going to work.
- Think about where you could fit in increments of time.
- Get creative to find time for your online business.
- What can you give up in order to start your own business?
- What can you put on hold, for the time being, to start your own online business?
- If you are at work, use your breaks and lunch to work your business(If you work full time).
